July

WEDNESDAYS AT CHURCH

July 6, 13 & 21
7 - 8 PM

JULY 6: GENESIS 3

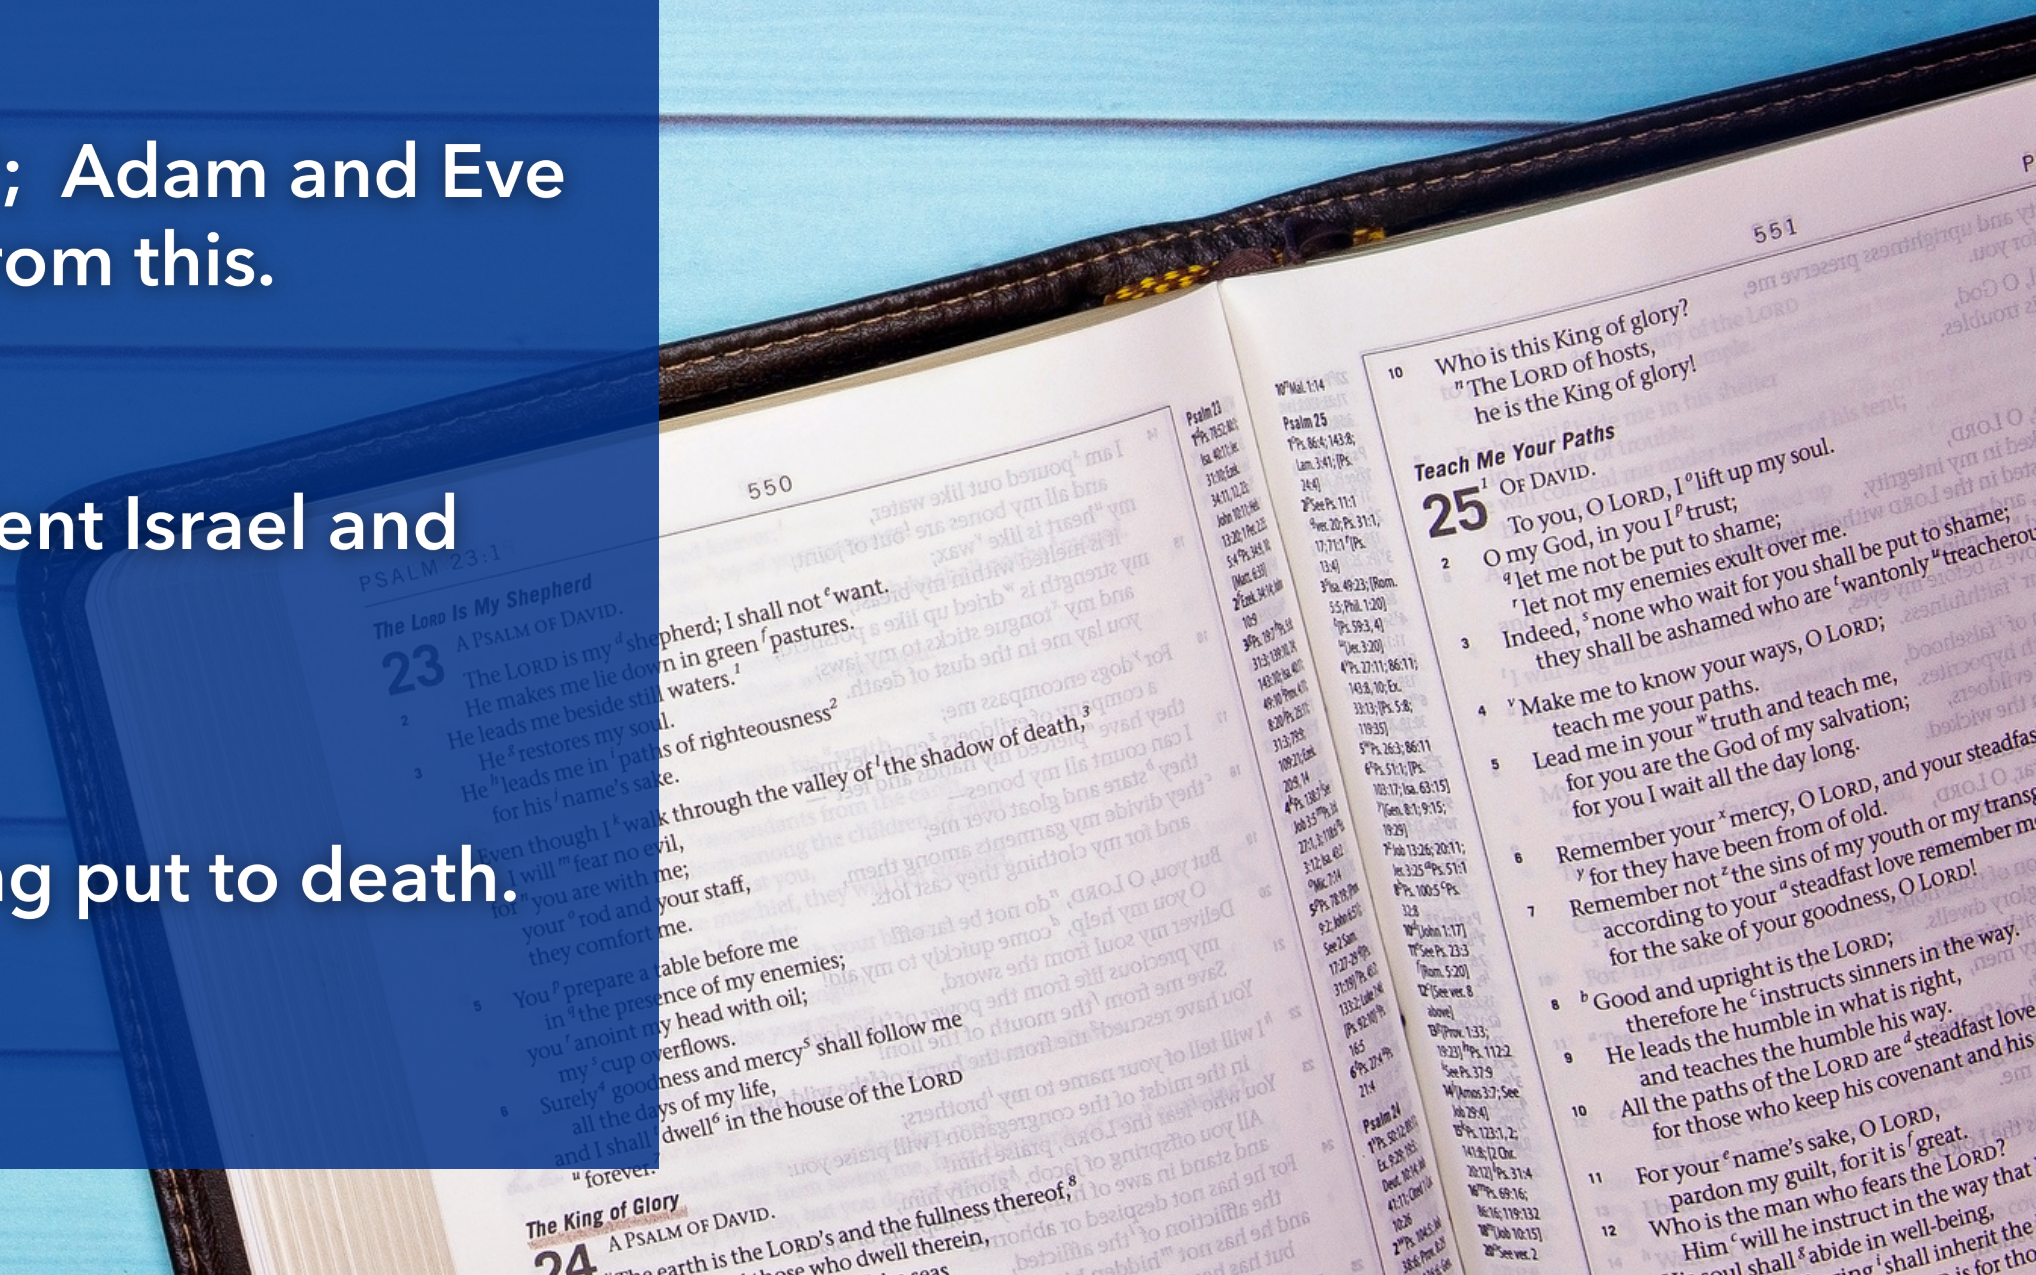

We will discuss how we understand "The Fall"; Adam and Eve eating the forbidden apple and what results from this.

JULY 13: EXODUS 35-36:7

We will consider the worship practices of ancient Israel and what, if anything, we can learn from them.

JULY 20: LEVITICUS 24: 10-23

A difficult passage about a "blasphemer" being put to death. What are we to make of it?

*Congratulations,
Class of 2022!*
